

August 10, 2022

Greetings from [PREP4Kids!](#)

We hope that your family has enjoyed some highlights and made some special memories this summer. Remarkably, the 2022-23 school year approaches so we wanted to send a short update and ask about your interest in the program this year.

We know that family plans and school plans are still fluid. We're all in the "same boat." District decisions about "outside programs" such as ours and "cohort requirements," and more, do not have to be finalized or announced until August 26th.

Right now, we believe it will be necessary to again delay in-person Bible classes.

Whether or not classes will become available, mailed Activity Packets will again be available whether your child(ren) will be attending a public school, public charter, online academy, or homeschool program.

We look forward to receiving your input and updated school information by downloading, completing, and mailing/emailing the **Parent Interest Form**. Feel free to share our program with other families and invite them to do the same!

*We look forward to hearing from you!*
